

CIRCULAR

Date: 21st July 2026

**Subject: SEPC Sustainable Water Summit at Global Aqua Expo 2026 on Friday, 7th August 2026,
10:00 AM – 11:30 AM, Hall No. 1 (GF), Bharat Mandapam, Pragati Maidan, New Delhi**

Dear Members,

The Services Export Promotion Council (SEPC) is pleased to announce its association as a **Supporting EPC** for the **EAW Global Aqua Expo 2026**. As part of this association, we are organising a dedicated conference session themed upon **“Global Water Business Scenario and Market Access for Indian Exporters”** in which experts will deliberate mainly on **“Role of Accreditation in Enabling the Free Flow of Water Across Borders”** focused on Sustainable Water Management and India's export challenges in the sector.

The session will focus on emerging opportunities, policy frameworks, standards and certification requirements in the global potable water and wastewater sector, bringing together stakeholders like International and Indian Industry Leaders, Government Bodies, Policy Makers, Think Tanks, Research Institutions etc. It will also show practical pathways for Indian environmental consultants and water technology exporters to access international markets.

Opportunities & Registration

- **Stall Space & Partnerships:** Available upon request for interested parties!
- **Delegate/Visitor Registration:** Secure your spot today by registering here: <https://luma.com/pes1861w>

Block your calendars for **Friday, 7th August 2026, 10:00 AM – 11:30 AM, Hall No. 1 (GF), Bharat Mandapam, Pragati Maidan, New Delhi** and join us in shaping the future of global water business. Detailed session timings, moderator and panellist line-up can be accessed at [Brochure EAW WSWS.pdf](#).

This circular is issued for information and necessary action.

Thanking you,

**Climate Strategy Committee
